Unemployment Benefits Reductions: Last week the Ohio Legislature held another hearing at the State Capital on House Bill 394. HB 394 will reduce weekly unemployment benefits for all Ohioans. It will also require additional waiting weeks, which will essentially eliminate one week claims, which our members depend on when Navistar has a down week. **CALL TO ACTION: WE NEED UAW MEMBERS, their family and friends TO CALL THEIR OHIO STATE REPRESENTATIVE and tell them to NOT TO SUPPORT HOUSE BILL 394 UNEMPLOYMENT COMPENSATION REFORM. This Bill will affect everyone. The Last Hearing is during the DOWN WEEK on November 3rd at 1pm in room 313 at the State Capital Building. We need to have a large presence of Union Members.**

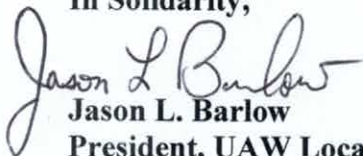

On Thursday, Nov. 3rd, UAW members and friends will car pool from the Union Hall leaving at 11:30am to go to the Ohio State House. If there is enough interest and people registered we will rent a bus. If you want to ride a bus please call the union hall by Tuesday Nov 1st. 937-390-3327.
