Union Bulletin **12-9-2015**

Union Meeting: This Saturday (12/12/15) at 9:30am is our December Union meeting and Union Christmas Party. Historically this is our largest attended monthly meeting, due to limited seating and to accommodate everyone, this meeting is for active members only (no spouses or children). This year the UAW has partnered with the United States Marine Corp Toys for Tots. We ask that you either donate a new toy or a cash donation this Saturday when you attend the meeting. All drawing entries must be present to win. Rudy's Smokehouse will be catering the event.

Truck Orders: We continue to have success with our "Buy Local, Buy an International" Campaign. Last night UAW members were successful in obtaining another truck order at the monthly Springfield Township Trustees meeting. All members (Active and Retired) are asked to continue to look for potential truck orders in their townships and cities they live in and let us know so we can reach out to those elected officials. The Chamber of Commerce will also be assisting by sending out letters to public and private entities throughout several counties.

In Solidarity,

Jason Barlow, President
U.A.W. Local 402
