Union Bulletin
2-22-2016

Local Trucks: Mad River Township Trustees (Enon Village Area) are currently looking to purchase a new truck. They recently looked at Freightliner and Western Star models. We need members (Active and Retired) to contact these trustees to demand that our Local Tax dollars are spent in the Community. Two years ago Mad River/Enon purchased a Dodge Ambulance made in Mexico and after receiving phone calls about it, a trustee said they would buy an International next time. Now they are saying they will give International a chance if they meet their specifications. Please contact the following:

Trustee Bob McClure - 324-5367, madrivertownshiptrustees@gmail.com
Trustee Kathy Estep — 864-7714, madrivertownshiptrustees@gmail.com
Trustee Joe Catanzaro – 605-2449, madrivertownshiptrustees@gmail.com
Fiscal Officer Maralee Leonard- 864-2189, madrivertwpfiscalofficer@gmail.com

Scholarship Deadline: This Friday (11:59 pm 2/26/16) is the deadline for the UAW John Minchin College Scholarships. All children, grandchildren and surviving spouses of Active and Retired Local 402 members are eligible. Applications are completed online at www.springfieldfoundation.org

Voting Preference: The UAW National CAP Department wants membership feedback on who the UAW should endorse for President of the United States. We will have ballots available at each facility. Please take the time to have your voice heard. Once the ballots are collected they will be sent to Detroit and compiled with other UAW Local Unions around the U.S.A.

In Solidarity,

Jason Barlow, President
U.A.W. Local 402
