SOLIDARITY WORKS

- Christmas break is 12/23/2016 – 1/2/2017 we wish all employees a safe and happy holiday season.
- During our Christmas Holiday break the construction will continue. When we come back there will be some cosmetic changes to our plant as it transforms back into a multi-line plant.
- Schneider National ordered 10 trucks for January, if the trucks are of world class quality they will order another 150 trucks to be built here in Springfield. It's been 10 years since Schneider ordered our trucks.
- Due to our quality of trucks, our resume of customers who choose to come to Springfield continues to grow.
