- We are having a down week from 11/2/15 – 11/6/15 to avoid any disruption in your benefits be sure to file unemployment. The company has only informed us on one electrician working in CAS the down week. If there is a change the company will notify anyone who has to work that week. Veterans Day is the following Monday 11/9/15 this is a holiday and we report to work Tuesday 11/10/15 and do not be late. While we are not working the down week I hope everyone enjoys their time off and be safe.
- Contract Books; the latest information I received from the company is the P&M, C&T, and Supplemental Documents, Retirement Plans, Health and Security and Parts Depots would be printed after the fiscal year. The Service Awards is being discussed at the corporate level, Union Pride Sticker will be here on 11/9/15; Cold Weather Jackets are ordered and will be after the fiscal year. It also looks like some of the Job Rotation back pay will be waiting until then too. All departments should have it in the system by now. Stewards should be checked out and keeping track of all these issues and who is affected. The company owes us answerers on all.
- We still have some material jobs the company has to fill by the end of 2015. If you are interested make sure you have a valid transfer. Also make sure the information is up to date. If you have any questions Use your union Rep.
- Solidarity is having each other's back not telling on each other for every little thing. Another issue is respecting each other. Threats are not tolerated and are taken very serious, not worth losing a job over. Our issues are not with one another. Think before we speak.
- Absenteeism is still an issue with the company. They will be watching all absences very closely. Everyone needs to be accountable for when they cannot report to work and it is very important to make sure you have the proper coverage. This is where you want to use your union representatives to make sure you can and will be covered for any reason you cannot report to work. Always keep in contact with your department stewards as they will guide you in the right direction.

UNION PROUD!!
