**December Union Meeting:** The Annual Combined All Unit Union Meeting/Active Member Christmas Party is this Saturday at 9:30am. Due to the size of the event only UAW Local 402 members are permitted. Texas Road House will cater the event. As in the past, Members must be present at the meeting to win any drawings the day of the event. We look forward to seeing everyone!

**United Way Campaign: Volunteers Needed,** The annual campaign will begin this month. Volunteers will be off their regular job, enrolling other members in the facility on Tuesday, Wednesday and Thursday each week while the campaign is conducted. Union members who would like to help sign up other members please contact Jason Barlow (390-3327 ext. 13).

**H.B. 620 Update:** Thank You to everyone who called or sent emails to demand that Ohio Representatives not Reduce Ohio Unemployment Benefits. Unemployment Compensation Reform did not move out of committee. There are no scheduled hearings or plans to have a Vote on this issue as of now due to the actions of so many.

**In Solidarity,**
