Union Update
5-23-2017

Union Charter: Tomorrow, May 24th 2017 is the 78th Anniversary of the Official Charter of U.A.W. Local 402. The U.A.W. International Union was founded in 1935 and our Local Union was formed by the men and women seeking a better life together at International Harvester on May 24th, 1939. Over the almost eight decades that have transpired since our inception our Union membership has continued to fight and obtain economic and social justice in the workplace and improve the lives of the community we live in. To celebrate this day, we will have Tim Horton's donuts and coffee delivered to all Bargaining Units of Local 402.

Smart Phone Apps: Our "UAW Local 402" phone applications are now available for download on the Apple Store for Apple phones and Play Store on Android phones. All union bulletins and event postings can be sent directly to your phone.

In Solidarity,

Jason L. Barlow, President
U.A.W. Local 402
