Union Update
5-30-2017

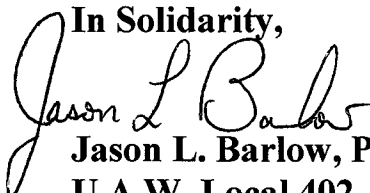

CEO Visit: This Thursday the CEO from First Energy/Ohio Edison Mr. Randy Frame will tour the facility. First Energy covers five states and has over 15,000 employees. UAW Local 402 has reached out to them to encourage them to support our Local workforce. Currently they have a fleet of Freightliners but have agreed to look at International Truck due to the UAW “Buy Ohio, Buy Navistar” campaign. If you see them in the plant please encourage them to “Buy Navistar”, our membership could benefit from a potential large order of trucks.

Golf Scramble: This Saturday, June 3rd is the UAW John Minchin Golf Scramble at National Links Golf Course at 1pm. This is the primary fundraiser for our Children’s College Scholarship Program. The deadline for team registration is Thursday, June 1st. The fee is \$60 per person/\$240 per team. Catering by Al’s Smokehouse.

Relay for Life: This Friday, June 2nd UAW members from Local 402 and 658 will be representing the UAW and Navistar at the Community Relay for Life. The event will begin at 6pm and last until midnight and is held at the Clark County Fairgrounds. If you would like to participate, Volunteers are still needed.

Smart Phone Apps: Our “UAW Local 402” phone applications are now available for download on the Apple Store for Apple phones and Play Store on Android phones. All union bulletins and event postings can be sent directly to your phone.

In Solidarity,

Jason L. Barlow, President
