RE: **UAW/Navistar, Inc. Negotiations Update**

Dear Union Brothers and Sisters:

This is to inform you that we are returning to an extension agreement with the Company. Despite our best efforts, we have been unable to reach an agreement, but the parties have renewed communications about reaching a new collective bargaining agreement.

Your Bargaining Committee has made significant strides, but our goal is to bring a fair and equitable contract to the membership.

The Extension Agreement has a twenty-four-hour notice of termination.

If you have any questions, please contact your Local Union Representative.

In solidarity,

Ray Curry
Secretary-Treasurer and Director
UAW Heavy Truck Department
