We will be holding four informational meetings for all four groups affected by the upcoming layoffs. We will have representatives available from Ohio Means Jobs and Ohio Department of Job and Family Services. Resolute Healthcare has been invited to answer questions about healthcare coverages. Clark State Community College has also been invited to talk about funding for training that may be available as well. During the meetings they will discuss employment opportunities, unemployment benefits, benefit procedures and any other services available to those laid off. They will be available to answer any questions regarding filing claims and any other unemployment questions. Our insurance and benefits representative will also be available to answer questions.

Meeting dates are as follows:

Monday, September 9, 2019 for the first group of 20 members.
Monday, September 16, 2019 for second group of 54 members.
Monday, September 23, 2019 for third group of 42 members.
Monday, September 30, 2019 for fourth group of 20 members.

All four meetings will be at the UAW Local 402 Union Hall and begin at 9:00 am. We urge all members affected by the layoff to attend these meetings.
