BULLETIN

10/4/19

Line 1 Production Update: On Monday, October 7, 2019, the company is planning to resume production on Line 1 to build approximately 60 International HV's per day (subject to change). Everyone on temporary layoff should have called the Navistar Update Line at 937-390-2900 on Thursday October 3, 2019 after 3:30 pm to see if you are to report to work next week. Please continue to call daily after 3:30 pm for updates.

GM Negotiation Update: At this time, the UAW strike against GM is in its 3rd week. Earlier this week, the UAW rejected GM's contract proposal and gave them a counter proposal. Both sides have continued to negotiate daily. The biggest issues being reported out are temporary workers, wages, healthcare and job security. With that being said, there is no way of knowing when Navistar will resume production on Line 2 (Vista Van Line) due to the part shortages caused by the strike. Hopefully the UAW and GM can reach a contract agreement soon so that our members on temporary layoff can return to work.

Richard T. Gosser: The Richard T. Gosser Scholarship is now available. The student must be a high school graduating Senior between January 2020 and July 2020 and a child or legal ward of a UAW member to apply. Requirements and applications are available on our website, Region 2B website and at the Union Hall. **Deadline is October 15, 2019.**
