## BULLETIN

3-23-2020

**Line 1 and Line 2 Production Update:** The company announced today that they are suspending production on both lines at SAP until April 6<sup>th</sup>. Employees are to call in after 3:30 pm on Friday, April 3, 2020 (937-390-2900) and listen to the recorded message to verify the return to work date. The company feels that they have the right under the CISA and CDC guidelines to work employees who are essential to the business needs to provide trucks to customers who deliver essential goods to business that are required to stay open during this pandemic. We voiced our concerns for our member's safety during these times of uncertainty and told the company that they need to make our member's health and safety the number 1 priority over the company's profit. The company said they will continue to take measures recommended by the CDC and government to protect employees who are required to work. Ed has contacted the International Union and has addressed our concerns for our member's health and safety and is waiting for a response. The company is supposed to be putting out a communication today as to what preventions they are taking to ensure our member's health and safety. We will post the company's communication update on our app and website.

**Easter Egg Hunt:** Our UAW Local 402 Easter Egg Hunt has been canceled to ensure the health and safety of our members and their children and grandchildren. Thank you for your understanding

**Membership Reminder:** It is your responsibility to keep *both* the Union Hall (937-390-3327) and the company (ERIC 1-855-331-3742) updated on any changes to your phone number and/or address.

In Solidarity,

Chris Blizzard  
President, UAW Local 402
