

Weekly Recap

COVID-19—SPRINGFIELD ASSEMBLY PLANT EMPLOYEES
Monday, July 20, 2020

If you are experiencing (fever, coughing, shortness of breath) **DO NOT REPORT TO WORK. DO NOT GO THROUGH THE TURNSTILES.**

Immediately contact your Healthcare Provider. Contact the HR Department at (937) 390-2829 and leave your name and a return phone number so someone can contact you to provide additional instructions. If you have arrived at the facility and start to develop symptoms of COVID-19 (fever, cough, shortness of breath) immediately notify a member of management in the area and they will direct you to report to medical for evaluation.

COVID-19 Cases

Below are current numbers in the Springfield Assembly Plant: from March 2020 thru July 20, 2020.

82 Confirmed Negative

11 Confirmed Positive

1 Confirmed Death

21 Waiting on results

Employee Survey Results

Thank you to the employees who completed the Employee Survey regarding COVID-19.

The results have been summarized and we are working on the best way to communicate the results to you.

Last week the Company and Union representatives met briefly to discuss the best method of sharing the results and how to best address the concerns that were shared with us.

Please watch for feedback in the coming weeks.

Wear Your Face Covering Correctly

Face coverings are an additional step to help slow the spread of COVID-19 when combined with every day preventative actions and social distancing in public settings.

Wear Your Face Covering Correctly

- Wash your hands before putting on your face covering
- Put it over your nose and mouth and secure it under your chin
- Try to fit it snugly against the sides of your face
- Make sure you can breath easily

Wear a Face Covering to Protect Others

- Wear a face covering that covers your nose and mouth to help protect others in case you're infected with COVID-19 but don't have symptoms
- Wear a face covering correctly for maximum protection
