LAST PERSON WORKING TRADES: Jennings

CLOCK # 28419

SENIORITY DATE: 3/1/2021

Covid 19 Metrics as of 4/21/2021	Total Confirmed Positive Cases - 252
Total Confirmed Negative Cases - 782	Total Positives Returned to Work - 219
Total Cases Waiting on Results - 42	Total Confirmed Deaths - 1

- **The Company has sent out recall letters to everyone on indefinite layoff. The last group will return on April 28, 2021. If you know anyone on indefinite layoff, please let them know.**
- **Line 2 production will temporarily cease at the end of the shift Friday April 30, 2021 due to part shortages. Some departments will be on temporary no work condition for approximately two weeks, at that point everyone will return to work to support line 1 with the training and job movement due to the schedule increase to 115 units. Your supervisor will inform you if you will be on temporary no work conditions and when to return. Everything is subject to change.**
- **The transfer cutoff date for the line 1 increase and all back fills pertaining to the increase will be Friday April 30th. If you desire a transfer to a certain department, please have your transfers in by the end of your shift on Friday April 30th. The jobs will be filled by the transfer process after Friday April 30th. See the back of this report for all jobs being added to line 1 and remember there could be openings on line 2 if someone transfers to line 1.**
- **May 1st, June 5th, August 7th, and September 11th are the four Saturdays that the Company cannot schedule mandatory overtime.**
- **Today is the last day that the face shields will be mandated. They will still be available in the safety office for anyone who wishes to wear them. Face masks are still mandated inside the plant, 3-foot social distancing is still in effect, and the break areas will still have the dividers.**
- **All turnstiles will be back to normal starting Saturday April 24, 2021.**
