Good Afternoon Local 402 Sisters and Brothers. The Company notified UAW Local 402 and 658 Union Leadership that GM and Navistar executives will be visiting the Springfield Assembly Plant tomorrow, Tuesday, March 16, 2021. This visit is very important for all of us here in Springfield as the decisions made from this visit could lead to significant future gains in this facility. They will be here all-day touring both assembly lines as well as the CAS and paint facility. We have no idea when or where the group tours or individuals will be at any given time. We are asking the Local 402 membership to help us welcome GM to our facility. We see this as a very positive and important opportunity for Springfield that can strengthen our partnership with GM. Let's show the Company and GM why Springfield is worth investing in now and for many years to come!

In Solidarity,
